ALL-COUNTY LETTER NO. 78-43

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY FISCAL STAFF

SUBJECT: REVISION TO FORMS DFA 814 AND 815 USED FOR CLAIMING REIMBURSEMENT
OF THE NONFEDERAL SHARE OF EXPENDITURES FOR CUBAN AND INDOCHINESE
REFUGEES CONVERTED TO AFDC

REFERENCE: ALL-COUNTY LETTER NO. 78-6

The Forms DFA 814 and 815 which are submitted each month with the AFDC-FG, U, and BHI claims for claiming reimbursement of the nonfederal share of expenditures for Cuban and Indochinese Refugees converted to AFDC have been revised:

1. To reflect the change to the state and county shares of the additional federal funds claimable for Cuban/Indochinese Refugees converted to AFDC because of the implementation of Chapter 292, Statutes of 1978 (SB 154), effective July 1, 1978.

Any unreimbursable rate increases included in the AFDC-BHI payments made in behalf of Cuban/Indochinese Refugees converted to AFDC-BHI will impact the county share of the federal funds claimable on Form DFA 814. Therefore, this information must be included at the end of the AFDC-BHI payroll along with other relevant information for converted cases as outlined in All-County Letter No. 78-6. In addition, on Form DFA 815, total persons counts for Cuban/Indochinese Refugees converted to AFDC-FG and U have been included to meet federal reporting requirements.

2. To provide for claiming reimbursement for expenditures in behalf of Cuban/Indochinese Refugees who, effective October 1, 1978, meet the requirements for nonfederal AFDC and are converted to nonfederal AFDC. (See All-County Letters 78-23 and 78-25.) These changes are made now to avoid another revision effective October 1, 1978. To use the revised Forms DFA 814 and 815 for the months of July through September 1978:

(a) Form DFA 814 - Write Not Applicable ("NA") for Items 3 and 6.

(b) Form DFA 815 - Write "NA" for Items 3 and 7c.

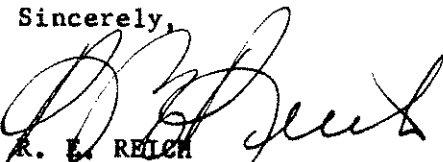

Please note that effective with the DFA 815 for October 1978, it will be necessary to separately identify total expenditures and total special need payments made in behalf of refugees converted to nonfederal AFDC-FG and U and refugees converted to federal AFDC. On the Forms DFA 814, it will be necessary to separately identify federal and nonfederal persons counts for AFDC-BHI converted cases. The above information should be provided at the end of the AFDC-FG, U, and BHI payrolls along with other relevant information for converted cases as outlined in All-County Letter No. 78-6.

NOTE: For computation purposes, the number of converted AFDC-BHI children in foster home placement (federal and nonfederal) must be available.

Because of time constraints, the revised Forms DFA 814 and 815 were not available for processing the July 1978 claims. The forms will be completed by Claims Audit and Control staff for the month of July. If this All-County Letter is received after you have submitted your August 1978 claims, Claims Audit and Control will also complete Forms DFA 814 and 815 for August.

Please direct any questions to Marian Wong or Gen Whitfield of Financial Planning at 916/445-7046.

Sincerely,

R. E. REICH
Deputy Director
